WARD CONFERENCE APPOINTMENTS

Emery and Eden, October 11th; Bryce and Hubbard, October 25th; Graham and Artesia, November 1st; Lebanon, November 8th; Clifton, October 22d; Franklin, October 24th and 25th; Globe, November 1st; Bisbee, November 14th and 15th; San Pedro, November 18th; St. David, November 21st and 22d.

All of the ward auxiliary organizations will be called upon for a report, as follows: Number of officers, members, number of meetings held, the average attendance and the funds paid in.

ACADEMY NOTES

The Polytechnic Society held a meeting last Friday which was well attended, and the lectures, "Social Life in Australia," by Prof. Nash, was greatly enjoyed by all. Loud applause followed when he said: "The man is boss in Australia."

Water is being brought from all over the valley for the class in chemistry to analyze.

We are pleased to see the new academy up to the first floor. We feel the need of it for the largest class room in the old academy is not more than half large enough for some of the classes. Prof. Nash is thinking of using the study room. The students say we must have the new home for the second semester.

The student body of the Academy is probably working harder and more unitedly this year than ever before. The few who are neglecting their work will soon be compelled by the influence of their associates to do better or depart.

CENTRAL NOTES

Ward Conference was held in Central, Sunday, October 4th. President Kimball had nothing but praise for the conditions of affairs.

The first meetings of the Mutual Improvement Associations were held Sunday night. An able corps of officers have charge this winter and everything points toward a grand success.

The contractors of the new school house are handicapped by not being able to procure lumber. They were depending on the home product which does not come in very fast. The building is all ready for the carpenters.

Friday afternoon our school went to Pima and there beat the Pima eighth grade boys in a hard fought game of base ball. The score was 2 to 1. Saturday night the school girls gave a candy pulling party to the victorious boys.

Prof. D. B. Jones of Mesa was a visitor Saturday. He is principal of the Hubbard school which started Monday. Prof. Jones has two brothers teaching in the valley and one teaching in Mesa. He was a member of the '08 class of Tempe Normal.

The Value of Good Digestion

Is easy to figure if you know what your stomach is worth. Kodol keeps the stomach at par value, by insuring good digestion. Kodol cures Dyspepsia.

Kodol insures good digestion by absolutely duplicating Nature's normal process, in perfectly digesting all food taken into the stomach.

While Kodol is doing this, the stomach is resting and becoming strong and healthy. A strong and healthy stomach guarantees a sound and active brain.

The man with a sound stomach—a stomach that is doing for the body just what Nature intended it to do—is the man who is always prepared for any emergency. He is "there with the goods."

The man with a sick stomach, is a man sick all over. When the stomach is irritated by undigested food, the blood and heart are directly affected. Then dizziness, unnatural sleepiness, sick-headaches, vertigo and fainting spells, and even serious brain trouble develop. Kodol will prevent these.

Spurring the stomach and brain

to special effort by "tonics" and "stimulants" doesn't cure anything, or accomplish any good. Neither does dieting. Indigestion and the serious ailments which it induces can be averted and corrected only by natural means.

Kodol supplies this natural means. It performs the stomach's work for it—just as the stomach should perform it—while the stomach takes a little rest, "for the stomach's sake."

Our Guarantee

Go to your druggist today and get a dollar bottle. Then after you have used the entire contents of the bottle if you can honestly say that it has not done you any good, return the bottle to the druggist and he will refund your money without question or delay. We will then pay the druggist for the bottle. Don't hesitate, all druggists know that our guarantee is good. This offer applies to the large bottle only and to but one in a family. The large bottle contains 3 1/2 times as much as the fifty cent bottle.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.
